

## AG&P’s CITY GAS DISTRIBUTION BUSINESS IN INDIA

### About AG&P

AG&P, known as AG&P Pratham in India, is one of the largest international players in the country and the sole supplier of natural gas to households, vehicle owners and commercial and industrial businesses in 31 districts across the five states of Rajasthan, Kerala, Tamil Nadu, Andhra Pradesh and Karnataka.

AG&P’s exclusive rights cover the supply of Piped Natural Gas (PNG) to households, industrial, commercial, non-commercial and non-domestic exempt commercial (NDEC) establishments, as well as Compressed Natural Gas (CNG) for use in vehicles. These CGD networks will cover 278,000 square kilometres, 17,000 inch-km of pipeline and over 1,500 new CNG stations.

AG&P’s CGD networks are driving economic development and improving the overall quality of life of millions of Indians by providing them with easy access to a lower cost, cleaner and safer fuel.

### AG&P Global

Headquartered in Singapore, AG&P is a global leader in developing and running LNG and gas logistics and distribution solutions. We provide the infrastructure to access natural gas safely and easily in new and growing markets. We are an owner and provider of engineering, procurement, project management and construction for onshore and offshore gas infrastructure, linking suppliers to downstream customers.

AG&P boasts an award-winning track record that we have earned by delivering innovative, customer-focused solutions with excellence and efficiency. We hold an unrivalled safety record that sets the global benchmark for the industry.

AG&P is proud to have Osaka Gas Co. Ltd., through its affiliate Osaka Gas Singapore Pte. Ltd. (Osaka Gas) and the Japan Bank for International Cooperation (JBIC) as two of its investors. These esteemed Japanese institutions invested in AG&P to support our multiple LNG initiatives worldwide, including the roll-out of our city gas distribution networks in India.
