## JM Sigelman

Chief Executive Officer, AG&P Group

[Hi-res image](#)

JM Sigelman is Chief Executive Officer (CEO) of AG&P Group Holdings PTE Ltd. Since he led the acquisition of AG&P at the end of 2010, the company has generated over \$1 billion of revenue and has returned strong profits. Under his leadership, AG&P has developed from a leading industrial manufacturing company focused on the modularization of hydrocarbon, mining, power and civil facilities into a global powerhouse in downstream LNG and gas logistics and infrastructure solutions.

JM Sigelman began his career with Lazard Freres. He is a graduate with honors from Princeton University's Woodrow Wilson School of Public and International Affairs and received his MBA from The Harvard Business School. In 2008, the World Economic Forum named Sigelman a 2006 Annual Star of Asia. His first company, OfficeTiger, a start-up that grew to several thousand people focused on the provision of accounting, legal, pre-media and other judgment-driven services, was sold for \$250 M in cash to RR Donnelley.

He has lived for extended periods in the UK, India and the Philippines. He is originally from New York City.

## Abhilesh Gupta

### Chief Financial Officer and Commercial Head

[Hi-res image](#)

Abhilesh Gupta is Group Chief Financial Officer and Commercial Head. He has over 27 years of experience in leading and managing international finance and commercial portfolios in the LNG, natural gas and power sectors in India and Singapore. Prior to joining AG&P, he spent five years as Group CFO of Asia Genco Pte Ltd., where he was responsible for the commercial, regulatory and treasury functions for the company's power plant investments in South Asia on behalf of an investment consortium of Goldman Sachs, Morgan Stanley, General Atlantic, Everstone and Norwest.

Prior, Abhilesh was the General Manager of Finance at Petronet LNG Limited and was instrumental in the financial closure of India's first LNG receiving and regasification terminals at Dahej, Gujarat and Kochi, Kerela, as well as multiple LNG sale purchase agreements and charters.

Abhilesh earned a Bachelor of Commerce degree from the University of Rajasthan, India. He is a Chartered Accountant.

**PPG Sarma**  
Managing Director

[Hi-res image](#)

PPG Sarma is Managing Director of City Gas Distribution (CGD), based in India. A widely recognized industry expert in gas delivery, PPG has extensive experience across the gas value chain including the transmission and distribution of natural gas. As former CEO for Torrent Gas Private Limited, PPG secured exclusive licenses for CGD for 10 geographical areas in India including Chennai, Jaipur and Karaikal, during the 9th bidding round led by the Petroleum & Natural Gas Regulatory Board (PNGRB).

He has also previously held senior roles at Turbo Energy Private Limited, where he was Executive Director and Gujarat Gas Ltd., where as CEO, he was responsible for the development of pipelines for the transmission and distribution of natural gas. He oversaw operations, maintenance and regulation of over 260 CNG stations and 3,000 industrial customers, successfully delivering consistent revenue growth while increasing the company's market share in strategically important regions.

PPG has held several high profile non-executive positions, including Chairman of the Board of Sabarmati Gas Limited, a JV between Gujarat State Petroleum Corporation (GSPC) and Bharat Petroleum Corporation Limited and Board Member for GSPC subsidiaries Gujarat Gas Trading Company limited and Gujarat Gas Financial Services Limited.

PPG earned his Bachelor of Mechanical Engineering degree from the College of Engineering, Andhra University in Visakhapatnam, Andhra Pradesh, India.

## Anupam Ahuja

Senior Vice President, Strategic Services

[Hi-res image](#)

Anupam Ahuja is Chief of Staff for the Executive Committee comprising representative Members of the Board, the Chairman and the CEO of AG&P Group. She is also SVP for Strategic Services leading the Marketing, HR and IT functions across AG&P's global operations.

Anupam joined AG&P in 2011 and has been instrumental in establishing AG&P globally as a leading downstream gas and LNG logistics company.

An Economics Honours graduate from Delhi University, Anupam has over 25 years of international experience in marketing communications, HR and change management across the oil and gas, pharmaceutical, outsourcing and IT sectors. Prior to AG&P, Anupam served as Global Vice President, Marketing Communications, OfficeTiger, New York and HR Advisor to the several thousand-employee business process outsourcing firm.

Prior, Anupam was a Senior Account Manager at Text 100 India, an international marketing and public relations firm headquartered in New York. She received several awards including Best Client Management Award by Cisco Systems, General Manager Award for Client Crisis Management and Star Performer of Text 100 India.

In 2000, at McKinsey & Co., Anupam was responsible for their India Venture 2000 Project, coordinating and bringing together angel investors and enterprising individuals on the specially developed McKinsey online platform and supporting the selection of business plans to receive seed funding.

## Manish Goswami

Chief Operations Officer, Rajasthan, Tamil Nadu & Andhra Pradesh  
Head, Technical Services

[Hi-res image](#)

Manish Goswami is City Gas Distribution (CGD) Chief Operations Officer for Rajasthan, Tamil Nadu and Andhra Pradesh and Head of Technical Services, India. He brings over 27 years' experience in various operating roles, including engineering, planning and management, project management, operations and maintenance for city gas distribution projects, covering commercial and marketing.

Before joining AG&P, Manish was the Senior Vice President of Gujarat Gas Limited, where he was responsible for the overall business operations of Bharuch & Dahej Geographical Area (GA) from 2015 to 2018 and Rajkot, Gujarat, India from 2012 to 2015, delivering 50 CNG stations and piped natural gas connections to 240,000 domestic, industrial and commercial customers.

Prior to a brief assignment at Pan African Energy Tanzania Limited where Manish served as Downstream Distribution Operations Manager stationed in Dar es Salaam, Tanzania, he was with GSPC Gas Company Limited where he was responsible for the development and implementation of pilot CNG stations and the CGD network of Hazira in Gujarat State, India and Gandhinagar, the state capital of Gujarat, India.

Manish earned his Bachelor of Mechanical Engineering degree from Sardar Vallabhbhai Regional College of Engineering & Technology, South Gujarat University, Gujarat, India.

## Chiradeep Datta

Chief Operations Officer, Karnataka & Kerala  
Head, Operations & Maintenance

[Hi-res image](#)

Chiradeep Datta is City Gas Distribution (CGD) Chief Operations Officer for Karnataka and Kerala and Head of Operations & Maintenance, India. He brings over 30 years' experience in operations, project management and commissioning for leading cross-country gas pipelines. He is responsible for the delivery of CGD projects in these two states, while at the same time leading the operations and maintenance of all our CGD networks across India.

Before joining AG&P, Chiradeep held several senior roles. He was the Chief of Operations at Reliance Gas Pipelines Limited for four years and Vice President & Head, Technical Services at Reliance Gas Transport Infrastructure for seven years. He also worked as Chief Executive Assistant to Director, Projects in GAIL for 19 years, where he was responsible for the commissioning of DVPL and DUPL projects and gas supply distribution in Mumbai, Assam and HVJ UP networks.

Chiradeep successfully commissioned the 484-kilometer long and high-pressure Dahej-Nagothane Ethane Pipeline and executed the Ethane Dispatch Terminal Project at RIL, Baruch. He also led the operations of the natural gas pipeline transporting natural gas to South Gujarat networks. He has deep knowledge of technical industry standards and has an expertise in remote operations, pipeline hydraulics, operations and maintenance of gas turbines, centrifugal pumps and compressors, SCADA systems, gas quality management, HSE and process safety management and hazard analysis, F&G systems, pipeline intelligent pigging and hot tap and stopple operations.

Chiradeep earned his Bachelor of Technology in Electrical Engineering degree from the Indian Institute of Technology, Kharagpur, where he graduated with honors.
